## 2018 ART 'N' SOUL SAUVIGNON BLANC

Peter Lehmann built his winery by defying accepted wisdom, courting near misses and narrow scrapes, and never shirking the opportunity to challenge the norm. The same values exist today with our winemakers treating every wine as a blank canvas and their "palate" consists of fruit from more than 140 growers. These wines are made to capture the colour and fun experienced as Peter Lehmann lived his dream, with all his 'art and soul'.

The Art 'n' Soul Sauvignon Blanc is crafted from Adelaide Hills fruit and made in the traditional wine style - crisp, clean and refreshing. No oak - just 100% stainless steel fermentation has been used to preserve acidity and define the intensely aromatic and dry style.

### Winemaker's Note

This Sauvignon Blanc is a delicate, dry white wine with a vibrant, youthful colour. This vintage has produced aromas of fresh passionfruit and cut grass along with light lemon citrus flavours. The finish is crisp, dry, soft and full of varietal characteristics.

### Vintage

After reasonable Winter and Spring rainfall, soil moisture was adequate during the growing season and the Adelaide Hills vineyards exhibited healthy canopies heading into Summer. January and February were warm and dry, with higher temperatures in February bringing on the harvest quite quickly. Fortunately there was little in the way of extended heatwaves, with all white grapes being picked in the cool of the night, preserving freshness and quality.

### Vineyards

A blend of premium vineyards located in Woodside and Lobethal in the Adelaide Hills.

### Winemaking

The fruit was picked in the cool of the night, crushed, chilled and left on skins overnight to enhance flavour. Following cold fermentation in stainless steel tanks, the wine was clarified and bottled.

### Enjoy

Drink young as a refreshing aperitif or accompany with delicate seafood and chicken dishes. Best enjoyed chilled.
